The rules for My Aged Care packages changed as of 1 November. You may not need assistance today, but can learn about how to navigate and engage the services available for your future needs, and how they assess monetary packages. A booking list is on the board, or you can ring Jeff at Unit 150, or leave him a message, and he will add your name/s. Bring along to the session any questions you may have.

Home Assistance Phone Number - From – Joe and Val in Unit 53 – Last month we found that we could not unlock our front door. I tried the Home Assistance phone number provided to me by another resident, and a locksmith managed to open the door. We have 3 fridge magnets with different numbers on them, so, how many in the village have the wrong number??? It is 8443 9344. Thankfully it was daylight when this happened. We thought we should share this story with other residents, Joe and Val.

Harassment Phone Calls – A resident in our village has reported receiving a rude phone call from an unknown caller. She hung up quickly as is the best decision, but wanted to warn others who may be upset by such calls. Unfortunately, this is a sign of the times.

Social Events – Pick up the monthly social sheets from the dining room to see what is going on. Here are just a few events organised by some of the many lovely people who volunteer in the village-

Market Day - Saturday 22nd November - 11 till 2pm. Enquiries contact Cheryl 842 or Sue 721

Night Owls Bowls reminder - Hello again bowlers. A reminder that the season commences 5th December with all games starting at 7pm sharp. Team practises will be 23/11 and 30/11 @ 2pm and the team "draws" copies will be available on these two Sundays also. Look forward to seeing you all then.
