The Residents' Committee – We have been very fortunate to have people helping with many jobs around the village. Currently three people – Grant, Jo and Colin take it in turns to take the community centre bins and place them out for collection every Wednesday night and return them on Thursday. Also, Robbie, who takes the recycling cans and bottles to the depot on Greenwith Road when the bin is full. A huge thankyou to them all for all their wonderful help, but they need a break. We need people to step up and take over these jobs so that they can have a rest. If you are able to take on the role of taking the recycling to the depot, you will need a tow bar on your car. If you can help with the bins, it will be on rotation with others that can assist. If you are able to help, please contact Sue on 721. The minutes of the Residents Committee are posted after each meeting. If you have any questions relating to the minutes, please feel free to contact one of the committee members for clarification. Sue - Secretary

Safety on our roads - Senior Constable Merrilyn Miller from the South Australian Police (SAPOL) Road Safety Section will give a talk on Safety on our Roads at 11am Tuesday 16 September in the Main Hall. A list for people attending is on the Residents Committee section of the Noticeboard.

Maureen Boddington - Residents Committee

Thankyou from the Kiley family to all of the "Village People" who sent flowers and cards, and those who attended Chris's funeral on July 11. It was comforting to see you there. Thank You, Caroline U 128.

Physio in the Village - Just a reminder that Jimmy An is a practising Physiotherapist in our Village (and also treats patients at The Stables in Healthsense). Jimmy consults here on a Thursday morning between 9.30 and 11.00 am in the Consulting Room in the Main Hall and keeps an appointment book in the library. A message can also be left for him on 8251 3885.

A message from Rob MacGregor - Over many years I have assisted dozens of people in our village whom have needed to either sell their car or replace it with another one. Having over 30 years in the vehicle industry I have retained excellent contacts and have saved a significant amount of money for potential car buyers/sellers in our village. This applies to either new or used vehicles.

For new cars I obtain 2-3 written quotes and forward them to you. You avoid being harassed by salespeople and the need to travel all over town. The decision whether to choose one of these options is entirely yours. Trade-ins can be appraised at your home. If you already have selected a dealer/vehicle I can assist with that too, to maximise your return.

I will receive a spotter's fee, which is paid to me by the dealer, only if you accept the quotation; and this fee is not a part of your quoted price. This activity is totally transparent, it will not cost you a cent, only save you money and time. I would be very pleased to assist you, and can be contacted on 0415 880 481, or on 826 in the village.

Thank you, Rob MacGregor U 226.

Library Requests

Once again, we ask residents to refrain from writing their initials, unit number, birthday (day & month) and other strange markings on the first page of our books. We use that area for library purposes, to record date donated (or replaced), borrowings, stocktakes etc. If residents wish to mark the book in some way to show they have read it, please do so on the **LAST PAGE** of the book.

We are still awaiting the return of a number of Dilly Court books, please check your bookshelves at home to see if you can find them for us.

The entire contents of our Library have been donated by residents, thank you. Donations enable us to replace damaged books, and offer something new and different to borrowers. To donate books, CD's, DVD's or jigsaws, place them in the box under the desk in the library marked "DONATIONS".

When returning books, do not replace them directly onto the shelf, please place them in the box under the desk in the library marked "RETURNS". If any residents have questions regarding the library, please contact a library volunteer.

Social Events

Social Committee News - Regrettably the **Cabaret** planned for Saturday September 20th is hereby cancelled. At the time of scheduling in December, the AFL Football Finals Series were not taken into consideration and with the possibility of there being two home finals to be hosted in Adelaide our numbers will be significantly impacted. Thank you for understanding. This opens up the possibility for someone to step up and organise a Football Finals watching event with the Main Hall now being available. Sandy U275
